MERIDIAN.US ANNOUNCES NEW CYBER SECURITY SERVICES

Cybertechnologies have become essential to the operation and management of numerous systems critical to the safety and security of shipping and protection of the marine environment. Vessel operators may be required to comply with these regulations and industry standards:

- International Safety Management (ISM) Code
- International Ship and Port Facility Security (ISPS) Code
- IMO Resolution MSC.428(98) Maritime Cyber Risk Management in Safety Management Systems.
- IMO MSC-FAL.1/Circ.3, 5 July 2017, Guidelines on Maritime Cyber Risk Management
- BIMCO The Guidelines on Cyber Security Onboard Ships
- OCIMF Tanker Management and Self-Assessment 3 (TMSA3) A Best Practice Guide

Meridian.us can assist marine and IT personnel with their development of Cyber Risk Management Plan, Security procedure, and related training programs. We can also enhance your readiness to response to an incident by facilitating contingency planning and exercises.

For more information on Meridian Cyber Security services, please contact Zac Schlarb at (484) 772-0384 or zschlarb@meridian.us.
