MERIDIAN.US OFFERS HURRICANE RESPONSE SERVICES

The National Hurricane Center has forecasted that Tropical Storm Harvey will impact Texas coastal areas beginning on August 25. Harvey is expected to produce total rain accumulations of 10 to 15 inches with isolated maximum amounts of 20 inches over the middle and upper Texas coast and southwest Louisiana through Tuesday.

To assist with response and recovery operations, Meridian.us offers several services, including Incident Management Support Team and Direct Asset Response Team.

For more information or to schedule training, please contact Jason Wilbur at (337) 515-5833 or jwilbur@meridian.us.

Incident Management Support Team

- Incident Commanders
- Incident Command System Specialists
- Staging Area Management

Direct Asset Response Team

Meridian.us can rapidly deploy highly-trained, disciplined, self-sustaining, multi-faceted, and dedicated unit of private security specialists for security, medical and or recovery services.
